(3) The delivery of possession of land to the person specified in an order made under sub-section (2) shall be a full discharge of the Trust from all liability in respect of such land, but shall not prejudice any rights in respect of the land to which any other person may be entitled by due process of law to enforce against the person to whom possession of the land is given.

(4) Where the person to whom possession of any land is to be given under the provisions of sub-section (2) cannot be found and has no agent or other person empowered to accept delivery on his behalf, the Chairman of the Trust shall cause a notice, declaring that possession of the land is being restored to such person, to be affixed on some conspicuous part of such land and also publish the notice in the official Gazette.
